

Southern Nevada Breastfeeding Coalition

of the

Breastfeeding Task Force of Nevada

An Organization Supporting Education and the Promotion and Protection of Breastfeeding

The Southern Nevada Breastfeeding Coalition of the Breastfeeding Task Force of Nevada was formed to assist professionals and the community who are dedicated to protecting, promoting and educating others on the importance of breastfeeding, and supporting the breastfeeding family. Our mission is to disseminate accurate information about breastfeeding, and promote breastfeeding as the norm for infant nutrition.

We invite you to join us in our efforts. Together we can improve the health of Nevada's families.

Benefits of membership include:

- *Free advertising on the Lactation Resource lists distributed to HCPs throughout Nevada and online.*
- *Inclusion on email lists for updates, events, and all communication among members*
- *First-hand opportunities to help shape the direction and perception of breastfeeding in your community*

Membership is simple. Return the Membership Form along with the fee of \$25.00 for individuals or \$60.00 for a group. (Check or money order payable to BFTF-NV). Receipts will be emailed. If mailed confirmation is needed, please provide a SASE.
