

# SOUTHERN NEVADA Breastfeeding COALITION

The Coalition supports members of the community who wish to nurse their babies, and we strive to be a reputable resource for all nursing families in our community (including but not limited to): The Lesbian, Bisexual, Gay and Transgender (LGBT), African American, Low income and everyone else in between. As a 501c3 Non-Profit, we provide trusted resources in the community for all questions about breastfeeding from the topic of Breastfeeding and Marijuana/alcohol and Tobacco use, benefits of skin to skin and so much more!
